Dean Releases List of Social Regulations

Notice to All Students:

In order to avoid conflicts on the Social Calendar and to insure careful planning of social events by campus groups, the Student Affairs Committee is setting forth the following regulations which shall apply to all social functions after January 1, 1954:

1. Applications, complete with signatures of faculty guests, for all social events including fire-sides, must be filed in duplicate at the Office of the Dean of Women, chairman of the Student Affairs Committee, not later than two weeks before the date of the proposed event. Applications may be obtained in the aforementioned office. Failure to meet the date deadline will invalidate the application.
 2. The committee will consider and approve or disapprove each application.
 3. The group making application for an event will be notified in writing of the decision of the committee.
 4. When application has been approved it will be entered officially on the Social Calendar and the group may proceed as usual with plans for the event.
- The above regulations are not new ones but several groups do not appear to be aware of them. Therefore the committee is once again reminding all students of the proper procedure.
- Illegal scheduling of social events and firesides without consent of the committee could lead to loss of social privileges by an entire group.**

(Signed)

Leone Murray, Dean of Women

Mexican Students Due Tomorrow

Twelve students from Jalapa, Mexico, and a leader will arrive tomorrow for a 20-day stay in Tacoma homes.

College of Puget Sound professor of history and German, Dr. Warren E. Tomlinson, is chairman of the arrangements for the Mexicans' visit, which is being sponsored by the Experiment in International Living of Putney, Vt. Tomlinson headed an American delegation on a similar mission to Yugoslavia last summer.

The student group, consisting of 10 girls and two boys and their leader, will leave their home in Jalapa, Mexico, Dec. 10, coming part way by train and part way by bus. They will spend one night in El Paso, Texas, on Dec. 12, arriving in Salt Lake City, Utah, on the 14th. They will reach Tacoma on the afternoon of the 16th. Four other Mexican groups will be leaving at the same time for cities in other sections of the United States for extended visits.

Dr. Tomlinson added that every one in the delegation speaks English and most of them will be staying and visiting homes of CPS students.

Spur-Knight Dance Set January 8

The Spurs and Knight organizations, campus service groups, will hold their annual dance January 8.

Based on a somewhat belated New Year's theme, the dance will be held in the SUB from 9 to 12 o'clock.

Highlights of the dance will be the conveying of honors on the Spur of the Moment, and the Knight of the Night.

Faculty guests will be: Martha Pearl Jones, Professor and Mrs. Norm Anderson and Mr. and Mrs. Donald Wolvers.

Loggers Meet St. Martin's Squad Tonight

Loggers Split Willamette Series

After dropping three games in a row, the CPS Loggers got back on the winning trail Saturday night by defeating Willamette's Bearcats 65-52. The win evened a two-game week-end series in which the Oregon school took the first tilt 67-61 on Friday.

The Loggers, who blew a 12-point third quarter lead Friday, grabbed a 10-7 lead in the first period of the Saturday night's game and were never headed. The CPS five posted 16-11, 33-20 and 51-33 quarter leads.

In Friday's game the Bearcats put on a closing rally to overcome a 58-46 CPS lead. Tom Gooding hit three field goals and a free throw; Center Pete Reed pushed through two baskets and charity tosses by Lefty Shields and Dick Hoy gave the 'Cats a 60-59 advantage.

Russ Wilkerson tied it up at 60-60 but that was the end of the line for the CPS five. Willamette on a free throw by Hoy grabbed the lead and kept it.

Warren Moyles paced the scorers with 25 points in the first game, 20 in the second. Bob Eliason, Logger guard was next to Moyles in the scoring department with 22.

The Loggers lost to their arch rivals, PLC, 71-62 Wednesday night at PLC.

The Lutes led most of the way but CPS put on a rally in the fourth period. Trailing by one point with less than three minutes left to go, the CPS five, in their eagerness to gain possession of the ball, fouled the Lutes and the PLC team converted all of the charity tosses.

Up In the Air

LOGGERS Babe Buholm (31) and Warren Moyles go high under the basket, fighting a pair of Bearcats for the ball.

Gonzaga, Central Games This Week

College of Puget Sound basketballers trek to Lacey tonight for a tussle with the St. Martin Rangers. The Loggers also will head east of the mountains this week-end for games with Gonzaga and Central Washington. They play the Bulldogs Friday in Spokane and the Wildcats in Ellensburg on Saturday.

Not too much is known about the Rangers but they have defeated Willamette, a team that gave the Loggers plenty of trouble over the weekend.

The Loggers will probably start Warren Moyles and Bill Medin at the forwards, Clarence Tiessen at center and Russ Wilkerson and Bob Eliason at the guards. Others likely to see considerable action are John Marvin, Erle Tallman and Babe Buholm.

Gonzaga is led by Jerry Vermillion who Inland Empire sports-writers are comparing to Bob Houbregs, because of his talented hook shot. Gonzaga's strength can be seen by their one-point loss to the Washington State squad which is ranked as one of the powers of the Pacific Coast Conference this year.

SKI SCHOOL TO OPEN

The CPS ski school will open soon under the direction of instructors Martin and Shirley Fopp.

Registration must be made at the Bursar's Office for men starting this week, and through Miss Bond, head of women's physical education department, for co-eds. Tuition of ten dollars is paid at time of second semester registration.

Academic credit for instructions may be arranged if desired.

Skier to Address Chinook Meeting

Highlighting Chinook club's meeting 4 p. m. Wednesday in Howarth hall will be a talk by Shirley Fopp, club president John Ramsey announced.

The winner of the 1942 National Championship, and of first in the downhill slalom and combined races of the 1942 Far West Kandahar, Mrs. Fopp will speak on CPS's ski school program. Closing the meeting will be a short film on ski techniques.

A Look at the Loggers

By Ron Frank

Basketball fans around the Evergreen circuit will have the opportunity this year of seeing one of the smallest men in the game today when the College of Puget Sound plays in their town.

The pint-sized player is CPS's ball-hawking guard, Russ Wilkerson, a two year letterman. Wilkerson stands five feet eight inches and weighs 135 pounds dripping wet.

In some of the wild melees that develop during a game, one of the tiny bespectacled CPS guard's main assets can be seen. Wilkerson can scoot into the melee and grab the ball away from some tall awkward skyscraper.

Russ played his high school ball at Lincoln of Tacoma where he made All-Cross State and All-City in his senior year. Wilkerson put on some memorable scoring performance while he was at Lincoln, including a 26 point performance against Seattle Prep.

When Wilkerson came to CPS observers felt that he was too small for the college game but the Lincoln high product dispelled their beliefs. He started practically every game in his freshman year and performed brilliantly.

Basketball isn't the only sport

that Russ performs as he has played third base for two years on the Logger baseball team. Wilkerson is a fine fielder and because of his stature, makes a difficult target at the plate for opposing pitchers.

Prayer

FOR CHRISTMAS

O God, our loving Father, help us rightly to remember the birth of Jesus, that we may share in the song of the Angels, the gladness of the Shepherds, and the worship of the Wise Men. Close the door of hate and open the door of love over all the world. Let kindness come with every gift and good desires with every greeting. Deliver us from evil by the blessing that Christ brings, and teach us to be merry with clear hearts. May the Christmas morning make us happy to be Thy children and the Christmas evening bring us to our beds with grateful thoughts, forgiving and forgiven, for Jesus' sake. Amen.—Robert Louis Stevenson.
